As this is a Championship Meet, No Deck Entries or No Time (NT) Entries will be accepted.

**USA Swimming Registration:**

All swimmers must be currently registered with USA Swimming, Inc. Registrations may be obtained from you club registrar.

All Adirondack Meets are reconciled for current USA Swimming Registration.

Unregistered swimmers will be removed from the meet and a \$25.00 Fine Imposed. ([Click Here for More Information](#))

Unattached athletes may obtain forms and instructions from the Adirondack Swimming Web Site [www.adirondackswimming.org](http://www.adirondackswimming.org)

Direct registration questions to the Adirondack Registrar, Kathleen Furman, 518-384-0223 or [kfurman@adirondackswimming.org](mailto:kfurman@adirondackswimming.org)

**Swimming Events:**

All timed finals events require positive check-in and will be deck seeded. This included all relays, the 1650 freestyle, 500 freestyle, and 400 IM for all age groups, all 8&under and 9-10 individual events, and the 11-12 200's of stroke (breast, back, and butterfly). Swimmers who do not check-in by the deadlines listed in the timetable above will be scratched. 8&under swimmers must report to the blocks—there will be no bull pen, but volunteers (in addition to the timers) will be assigned to help behind the blocks.

All other events will be trials and finals events and will be pre-seeded.

Special considerations for distance events:

The fastest heat of the 11-12 200 Breaststroke, 200 Backstroke and 200 Butterfly will be swum at finals.

The 13-14 and Senior 500 Freestyle and 400 IM: The fastest heat of each group (13-14 girls, 13-14 boys, Senior girls, Senior boys) will swim at the finals session. At prelims, the next fastest heats will be swum fastest to slowest, alternating 13-14 girls' and 13-14 boys' heats, then alternating Senior girls' and Senior boys' heats, and the last heat may be combined.

The 9-10 and 11-12 500 Freestyle: All heats will be swum in the preliminary sessions. The heats will be swum fastest to slowest, alternating 11-12 girls' and 11-12 boys' heats, then alternating 9-10 girls' and 9-10 boys' heats, and the last heat may be combined.

The 1650 Freestyle: For seeding purposes, the 13-14's and Senior events will be combined. The heats will be swum fastest to slowest, starting with the fastest heat of girls, followed by the fastest heat of boys, then alternating girls' and boys' heats, and the last heat may be combined. All heats will be swum in the preliminary sessions. Adirondack reserves the right to cut down to 6 of each gender-age group (top 24 swimmers).

There will be a reasonable break before the start of the 500 free, 400 IM, and the 1650 free.

## Relays:

All Relays are timed finals and will be swum during prelims.

## Finals and Consolations:

Those events that have trials will have finals and consolation finals conducted during the finals session. The top sixteen swimmers of each age group will qualify, the top 8 swimming finals, the next 8 swimming consolation finals.

## Scratches:

Positive check-in for timed final events is located at the program sales table as you enter the building. Heat sheets will be posted for all events that are deck seeded.

Swimmers who positively check in for a timed final event and do not show up for the event, will be disqualified from that event and their next scheduled event. **This scratch rule includes 8&unders and 9-10 athletes.**

Swimmers who qualify for finals or consolation finals and want to scratch a final event must inform the announcer within 30 minutes of the announcement of the trial results for that event. **Failure to notify the announcer so that an alternate can be called will result in the swimmer being disqualified for the remainder of the meet.**

## Warm-Ups:

Because of the large number of injuries occurring across the country during warm-ups, USA Swimming allows no diving into the pool during the warm-up period except in the designated sprint lanes. We ask that you inform your swimmers of this rule and ask them to fully cooperate with the club officials and marshals in charge of the area.

Friday, Saturday and Sunday Morning and Afternoon Warm-up assignments will be posted on AD website.

Friday, Saturday and Sunday Finals warm-ups are as follows;

4:30-4:50 (20 minutes) 13-14 Boys and all Seniors, 4:50-5:10 (20 minutes) 11-12 and 13-14 Girls, 5:10-5:25 (15 minutes) Combined Sprint Lanes 2,3,6,7 ... Pace Lanes 1 ... Continuous Swimming 4,5,8 - (Pool will open at 4:00)

## Timers:

Clubs will be required to provide timers for finals and trials, based upon their number of entries. After all Entries have been received, the Team Lane Timing Assignments will be posted to the AD Web Site and in the Meet Program.

Swimmers must provide their own timers for the 400 IM's, 500's and 1650's and also lap counters for the 500's and 1650's.

## Zone Information:

Selection to the Adirondack Zone Team for the Eastern Zone Championships will be made from swimmers who have swum in Adirondack meets from October 1st to Gold Short Course Championships and have submitted a zone application to JoAnn Faucett. Details of the trip will be announced at the **mandatory** zone meeting following the conclusion of Sunday's final session.

## Meet Policy:

Any swimmer found in an unauthorized area will be asked to immediately leave the premises. No exceptions. Each team is responsible for supervising its members. **No one will be allowed on the deck except USA-S Registered Officials, USA-S Registered Coaches with Current Certifications, USA-S Registered Swimmers and Meet Marshalls and Timers on Shift. All Officials and Coaches are Required to display USA Swimming Credentials (USA Swimming Membership Card) while on deck. If, at an AD Sanctioned Meet, an individual is found on deck, acting in any coaching capacity and is determined to be out of compliance with USA Swimming requirements for coaches, that individual will be removed from the deck and the represented club will be fined \$250.**

All athletes attending any sanctioned meet must be under the direct supervision of a currently registered and certified USA Swimming Coach. If you are an unattached athlete, or your coach will not be attending the meet, you and/or your coach must contact the meet director in advance to make arrangements for an attending coach to assume responsibility for you. As an alternative, you and/or your coach may contact and make arrangements with another coach who you know will attend. Be sure to keep record of these arrangements. This is a USA Swimming Rule, and there are no exceptions.

## Disabled Athletes:

Adirondack Swimming welcomes athletes with disabilities. Athletes with disabilities are required to contact the Meet Director at least 2 weeks in advance of the meet so that provisions can be made for any special accommodations.

## Services:

Food will be on sale throughout the meet. A meet program will be available, which will cover all trial sessions. Finals programs will be available prior to each final session. A vendor will have a representative selling equipment during the meet. There will be a special meet shirt on sale during the meet.

## **\*\* Detailed Adirondack Swimming Championship Meet Requirements**

To: **AD Team Contacts, Coaches and Athletes**

From: Adirondack Swimming

**Adirondack Swimming Athletes ONLY May Enter Either of our Short Course Championship Meets. These meets, Silvers and Golds, are Championship Meets and there will be NO DECK ENTRIES and Entries with No Entry Time (NT) will not be accepted.**

There will be no "relay only" swimmers in our championship meets. All swimmers must qualify to swim the meet in one or more individual events to be able to participate in any relays.

Adirondack Swimming approved that there be minimal participation requirements to qualify for entry to our Silver and Gold Short Course (SC) Championship Meets. It was approved that a swimmer must have participated in at least one (1) AD Sanctioned Meet, in the Current SC Season (*September to March*) to be able to swim in Silvers and at least two (2) AD Sanctioned Meets, in the Current SC Season to swim in Golds (*1 of the 2 required meets to qualify for Golds can be Silvers*). Qualifying times must have been achieved from January 1, of the previous Short Course Season through Silver Championships.

**Observed or Approved Meets May NOT be Used to Fulfill the Minimum Meet Requirement to attend AD Championship Meets.** However, All Times from these meets are used for entry qualification.

**Requirements for Silvers** - If a swimmer is to participate in the Adirondack Silver SC Championships, he or she must have competed in at least One (1) AD Sanctioned meet in the current SC Season, prior to the Silver Championships. A swimmer entering an event in Silver Championships must use the **Best Recorded Yards Time in SWIMS**, for the time period of **Jan 1<sup>st</sup> of last years' SC season to Date**, as the entry time. If a swimmer has no recorded time in SWIMS for an event, a High School Varsity time may be used for entry/seeding purposes or if the event has not been swum, the entry must contain an accurate estimated entry time as determined by the swimmers coach. All entries for the 400IM and 500Free MUST be recorded times, coach estimates will not be accepted for these events.

**Requirements for Golds** - If a swimmer is to participate in the Adirondack Gold SC Championships, he or she must have competed in at least two (2) AD Sanctioned meets in the current SC Season, prior to Gold Championships. A swimmer entering an event in Gold Championships must use a **Recorded and Qualifying Yards Time in SWIMS**, for the time period of **Jan 1<sup>st</sup> of last years' SC season through the current seasons Silver Championships**, to qualify to swim the event. If a swimmer has no recorded time in SWIMS for an event, a High School Varsity time may be used for entry/seeding purposes. Unlike Silvers, Swimmers may Only Swim events in Golds, in which they have achieved a recorded qualifying time in the date span accepted.

**Coach estimated times are NOT acceptable.**

**Large Team/Small Team Criteria** - Large Teams will be any AD Team with 75 or more Registered Athletes, Small Teams will be any AD Team with less than 75 Registered Athletes. This is Registered to USA Swimming and has no bearing on the number of swimmers entered in the championship meets.

**Exceptions will be made in the following circumstances;**

1. If a swimmer has transferred to AD from another LSC, at a time where it was too late to be entered in the required number of meets to qualify. This will apply to swimmers who HAVE MOVED to our LSC where a change of home address has been made. This transfer must have been completed by the AD LSC Registrar at least 30 days in advance of the meet.
2. If a swimmer has had a prolonged medical condition which has not allowed him or her to swim until a time where it was too late to be entered in the required number of meets to qualify. The swimmers coach MUST notify the Meet Director or Meet Referee, by mail or email, at least 30 days in advance of the meet.
3. If a swimmer ages up between Silvers and Golds and he or she is too fast for Silvers at the younger age group and too slow for Golds at the older age group, the swimmer may swim at the older age group without having the Gold cut times. Swimmer must enter the meet using actual achieved times and the meet host will allow the times as exceptions if they are too slow for the cutoffs.

Final Approval of exceptions will be by joint decision of the Meet Referee and Meet Director.

**Entries with no entry time (NT) will not be accepted.**

**These meets, Silvers and Golds, are Championship Meets and there will be NO DECK ENTRIES. Adirondack Swimming Athletes ONLY May Enter Either of our Short Course Championship Meets.**
